

## MacGill's Meanderings...

Recently a portion of the Bible in the Old Testament has been especially meaningful. When God told the children of Israel to put the blood of an innocent lamb on the doorposts of their houses. Exodus 12:7-13 tells us He said, "When I see the blood, I will pass over you..." Those who rejected the blood of the lamb had to pay the consequences- death in each family. What a blessing to know that Christ is our Passover Lamb (1 Cor. 5:7 ) and has paid the price if only we will accept that payment. Our prayer is that each camper coming to Camp recognizes and will accept(or has accepted) that payment personally. Celebrating the Resurrection of our Savior is a reminder of life in eternity offered to all who accept Him. Loved ones have gone Home to be with Him- and we also look forward to the day we can worship the Lamb in person with them.

God blessed in the retreats that Red Cliff was able to hold in the winter months- we are so thankful that the Word was able to be shared at each of those sessions. God's Word was shared and the fellowship was a blessing. The new lodge continues to progress towards completion and we are thankful for that.

Many continue to ask regarding Dick's health. We are thankful to be able to report that his blood test numbers continue to stay low. We recently learned that he has some weakening of his bones (probably due to both age and radiation treatments he has had In the past). So we are working on some things to help with that. He also learned that he has cataracts in both eyes that will need to be dealt with soon. Pray with us please for wisdom and an early appointment for that surgery.

This time of year, we are waiting for the snow and water to dry out off the road so that more physical work can begin. (Yes, that's another prayer request!) Moisture is needed in our area because of dry winter conditions but we also need dry roads to be able to get in for the work. God knows what is best!

Thank you thank you thank you for your prayer and financial support as we continue to serve the Lord here. Both are greatly needed and YOU are the reason we are able to serve as we have.

Serving that others might minister,

Dick & Deirdre MacGill
